FAMILY FUN FAIR

YMCA of Hong Kong Christian College

YHKCC School Fair a Huge Success

The entire school community of YMCA of Hong Kong Christian College (YHKCC) gathered on the school campus for a day of fun and excitement at the much anticipated School Fair on Saturday 29th October. The fair is held every year and is probably the highlight of the school year. This year, the tradition continued with the theme 'Family Fun'. More than 2,200 visitors joined in with the celebrations.

There was something for everyone, from crafts and cuddly puppies to inflatable castles and performances by students. Visitors were also able to do some shopping at the bazaar in the assembly hall and the food plaza on the football court, and sample treats from the school's bake sale, pizza, fried chicken, sausage rolls, Pakistan snacks, or the PTA's hot dog food stalls.

Also new this year was the largest bouncy castle in Hong Kong, a 2-storey high inflatable climbing tower, and paddle cars. Children lined up eagerly for the bouncy castle, paddle cars and aerial runway, and tried to win prizes on many exciting carnival games organized by YHKCC students. Younger children had their faces painted by artistic students.

The school's music team including the Assembly Band, Choir and Rock Band were showcased with different beautiful songs throughout the day.

The school thanks all who attended and warmly invites you to join us at next year's fair, which truly is a fun time for all.
